ABOUT US

Mahayogi Gorakhnath University Gorakhpur

Mahayogi Gorakhnath University Gorakhpur was established in the year 2021 to provide multifaceted, multipurpose service and education in the field of Medical, Ayurveda, Nursing, Allied Health Sciences, Paramedical, Agriculture, Pharmacy, Dental and Law etc. It was inaugurated by Honourable President of India Shri Ramnath Kovind Ji in the gracious presence of Honourable Governor Mrs. Anandi Ben Patel Ji as distinguished guest. The inauguration ceremony was presided over by the Chancellor of Mahayogi Gorakhnath University Gorakhpur, Honourable Chief Minister of Uttar Pradesh, Gorakshpeethadheeswar Mahant Yogi Adityanath Ji on 28th August 2021. The University is having state-of-the-art laboratories and research facilities and an excellent ecosystem for extra-curricular activities. The campus is Wi-Fi enabled this uses advanced technology to

impart education. It is established to support and develop students in such a way that they gain lifelong learning skills and become competent professionals.

Faculty of Allied Health Sciences

The Faculty of Allied Health Sciences started in the year 2022 with three departments i.e. Department of Biotechnology, Department of Medical Biochemistry and Department of Medical Microbiology. Faculty of Allied Health Sciences is offering B.Sc., M.Sc. and Ph.D. programs in all the three departments since its establishment. The B. Sc. programs in all three disciplines are run as per National Education Policy-2020. Currently, there are 15 faculty members in Faculty of Allied Health Sciences. All the faculty members are highly skilled and research oriented. Faculty of Allied Health Sciences organizes seminars, symposium, workshops and conferences on regular basis which makes the students and faculty members of its to be updated in their own area of medical sciences and biotechnology.

The Lecture Series

To popularise Biotechnology activities in India, Department of Biotechnology (DBT), Government of India has provided financial assistance for conducting the lecture series in Mahayogi Gorakhnath University Gorakhpur. These lecture series cover a wide spectrum of topics which include applications of Biotechnology in Ayurveda research.
