How to Reach

BY AIR

Gorakhpur civil airport is the nearest airport which is located around 8 km away from the city centre. Direct flights from Gorakhpur airport ply to the cities like Delhi, Varanasi, Lucknow and Kolkata and others.

BY RAIL

The Gorakhpur railway station is the main railhead and serves as the headquarters of North Eastern Railway. This railhead is well linked to major cities of the country such as Delhi, Hyderabad, Chennai, Nagpur, Varanasi, Lucknow and a lot more. The tourist can easily find a large number of auto rickshaws and taxis from outside the railway station.

BY ROAD

There are numbers of buses which provide regular services to different cities including Kushinagar (50 km), Varanasi (235 km), Lucknow (276 km) and Allahabad (339 km). Direct buses from Gorakhpur to Lucknow and other cities are easily available.

Accommodation

Group accommodation is arranged by Conference Committee. Whereas, if delegate prefers individual accommodation he will arrange it by their own efforts. A large number of Hotels and Guest Houses are available in the nearby area. Such delegates are advised to book their accommodation timely to avoid any inconvenience.

Election

In accordance with AIMLTA constitution Association Election for the year 2025-2028 will be held during 44th A.I.C. at Gorakhpur (U.P.) on 21st December, 2025. Central Election Body has been appointed the Chief Central Election Officer and Central Election Officers to conduct the Association's Election. Members desirous of contesting Election may refer to the notification of Chief Election Officer, AIMLTA for Election Programme, rules & regulations and nomination, etc.

Invitation

Dear Friends and Colleagues,

We are delighted to announce the 44th All India Conference & Scientific Seminar, **AIMLTAACON-2025** hosted by All India Medical Laboratory Technologists' Association. This event will be organized on 20th and 21st December, 2025 at Auditorium of Mahayogi Gorakhnath University of Gorakhpur (MGUG), UP (India).

Medical Lab Technology is a very important component of Medical Science and Medical Technologist play a pivotal role in day to day management of patient care. This Conference and Scientific Seminar will provide a unique platform for young as well as experienced Medical Lab Technologists to exchange their views at National level and will create some new thoughts and ideas in shaping the career of Medical Laboratory Technologists.

Gorakhpuri, is known for its rich cultural heritage and warm hospitality. We eagerly await your presence at this prestigious event. We are confident that your participation will be instrumental in making this conference a resounding success.

We are looking forward to welcome you to join this conference and discover the ancient glory and medieval mysticism city of India at the 44th All India Conference & Scientific Seminar during the winter of 2025.
