Advertisement No.: MGUG/Recruitment/2025/12/001

Dated: 12.12.2025

Mahayogi Gorakhnath University Gorakhpur, is a Multidisciplinary University that is continuously expanding its infrastructure across a 200+ acre campus at Balapar, Gorakhpur. The University offers Higher Education across diverse fields, including Medicine, Ayurveda, Pharmacy, Nursing, Agriculture, Allied Health Sciences, and Management & Commerce. Additionally, the campus is home to a upcoming state-of-the-art multi-specialty hospital which will provide 1,800 beds high-quality healthcare services to the community in and around the region, along with two functional multispecialty hospitals with 650+ Bed (Gorakhnath Chikitsalaya) and 300+ Bed (Mahayogi Gorakhnath Chikitsalaya) both at Gorakhpur.

Mahayogi Gorakhnath University, Gorakhpur invites applications from eligible, experienced and dedicated candidates for the following position:

Post: Biostatistician

No. of Post: 01

Essential Qualifications and Skills:

- Master's degree (M.Sc./M.Stat.) & Ph.D. in Biostatistics / Statistics from a recognized university with at least 65% marks.
- Minimum 2 years of relevant experience in research, academic institutions, hospitals, or public health organizations.
- Strong command over statistical methodologies, study design, hypothesis testing, regression models, survival analysis, and multivariate analysis.
- Proficiency in statistical software such as R, SPSS, STATA, SAS, or Python.
- Ability to manage, analyze and interpret complex health, clinical, and research datasets. Knowledge of Good Clinical Practices (GCP), biomedical research ethics, and data management standards.

Desirable Qualifications and Skills:

- Experience supporting clinical trials, epidemiological studies, or hospital-based research projects. Ability to prepare statistical analysis plans, generate reports, perform sample size calculations, and contribute to manuscript writing.
- Experience working with healthcare databases, EMR data, or public health surveillance systems. Exposure to NABH/NABL-accredited systems with familiarity in documentation, quality control, and data validation.
- Hands-on experience in developing dashboards, data visualization, and automated reporting tools.
- Strong analytical thinking, problem-solving abilities and the capability to collaborate with multidisciplinary research teams.

General Requirements:

- The candidate must have obtained throughout first class (i.e., minimum 65% marks in 10th, 12th, UG, and PG).
- Degree(s) from reputed and recognized institutions.
- Strong analytical knowledge, documentation skills, and commitment to high-quality research standards.

How to Apply:

Eligible candidates may send their detailed resume along with supporting documents and a cover letter to **hr.head@mgug.ac.in** on or before **05th January, 2026**. Shortlisted candidates will be called for an interview.

Subject of Email: *Application for Biostatistician*

Remuneration:

- Salary shall be commensurate with qualification, skills and experience as per University rules.

Note: The University reserves the right: (i) To fill or not to fill any or all the posts advertised for any reasons whatsoever. If any vacancy arises after a particular post is filled, the vacancy shall be advertised. (ii) To withdraw the advertisement, either partly or wholly, at any time without assigning any reason.
