Step 6 – Post mobile verification, students to enter Educational details, accept the declaration/consent and Submit the form. Post submission, learners will get confirmation message.

The screenshot shows a web form with the following sections:

- Gender***: A dropdown menu with "Male" selected.
- Mobile Number***: A text input field containing a redacted number. Below it, a green message reads "OTP verified successfully".
- Education Details**: A section header followed by two dropdown menus:
 - Education Level***: A dropdown menu with "---Select---" selected.
 - Degree/Program - Stream***: A dropdown menu with "---Select---" selected.
- Password***: A text input field with a placeholder "Enter Password" and an information icon.
- Name of School/College/University***: A text input field with a placeholder "Enter Name of School/College/University".
- Declaration/Consent**: A section header followed by a checkbox and a paragraph of text:

I hereby declare/I give consent that the information provided in this form is true and correct. I would be responsible for any discrepancy found in the information shared by me. I also understand that any wilful dishonesty may render this application liable to refusal or disqualification from the program, no claim will be entertained. I hereby also declare that my personal details, such as name, mobile number, Email ID, can be shared with relevant stakeholders associated with this project, with whom MPIT and TCS iON has contractual binding.
- Submit**: A blue button at the bottom of the form.

Step 7 – Post submission, learners will get confirmation sms and will be redirected to the login page. Learners to login with option 'Login via OTP' to access the course.

The screenshot displays the TCS iON website interface. At the top, there is a navigation bar with the TCS iON logo, an 'Explore' dropdown menu, a search bar for courses and programs, and links for 'Activate Code', 'Login/Register', a shopping cart, and the TATA logo. Below the navigation bar, there are links for 'Learners', 'Institutions', 'Resources', 'Jobs', 'About Us', and 'Contact Us'. The main content area features a promotional banner for 'AI for All' by TCS Foundation, offered by MPIT - CoE. The banner includes the text 'Empowering a Digital & AI-Ready Society' and a call to action to 'Enrol now and be part of an exciting Guinness World Records attempt for the "Most people to sign up for an artificial intelligence campaign in one week." Register yourself now and be a part of historic event!'. A registration countdown timer shows '08 Days', '02 Hours', and '10 Minutes' remaining. A blue button labeled 'Enrol for free' is present. Below the banner, there are three calendar icons indicating 'Registration Starts On 2nd April 2026, 12.00 PM', 'Registration Closes On 9th April 2026, 11.59 AM', and 'Course Starts On 15th April 2026'. On the right side, a 'Let's Get Started' modal is open, featuring a close button (X) in the top right corner. The modal contains two buttons: 'Learners login below' and 'Enterprise users click here'. Below these are input fields for 'Email ID*' and 'Password*', with a 'Forgot Password?' link. A 'Login' button is at the bottom of the modal. Below the 'Login' button, there is a link 'Don't have an account? Register' and a row of social media icons for Google, X, LinkedIn, and TATA.
